

YOU ARE CORDIALLY INVITED....

The Weathervane Society was formed in gratitude for the leadership of Bob and Marion Grimm, who left a 20-year legacy gift to the Museum.

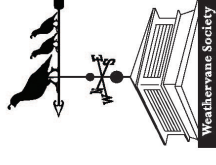

Members of the Weathervane Society are invited to give via stocks, donations, planned giving, or multi-year pledges as it fits their charitable giving portfolio. Gifts to the Weathervane Society benefit the Museum's long-term investment account.

The Pleasure of Your Company is Requested

Join us as we look back at the history of Los Altos's First Responders at the home of Art Carmichael. Since his time as a volunteer Police Officer, Arthur has been an advocate for improving and celebrating our police, fire, and ambulance services. Art, along with his good friends Bob Grimm and Roy Lave, purchased Los Altos' original fire engine, which has been stored in his garage and driven by Art in many local parades. Come see this and other iconic vehicles while enjoying wonderful food from Chef Chu's!
