Dear Neighbors,

Bright Days Preschool is your neighbor and a non-profit preschool serving the greater San Jose area. We continue our commitment to developing our outdoor environment and appreciate your support! Also, your contributions raise the funds needed to provide financial aid offered to families in need.

*We are reaching out to local **businesses we patronize**, to ask for donations to our Annual Silent Auction.* Please take a look at the information included with this letter to learn more about Bright Days preschool, and to help you make your decision to **donate product, services, gift cards or a monetary donation** to support our efforts. **With your donation, your business will be advertised during our 16-day auction events with an individual business flyer and listing in our auction program.**

The goal of this year's fundraiser is to collect \$15,000 - for our financial aid program, and playground improvement projects. Our plan for this year's funds is repair storm drains on the playground and patio areas. **Your gift will help us reach our fundraising goal!**

Our Silent Auction bidding is a 16-day event that starts on Sunday, April 14, includes a Family Fun Day on Saturday, April 20 and live auction celebration on Thursday, May 25.

Your donation is fully tax deductible; our non-profit **TAX ID# is 94-1322-173.**

We appreciate your consideration of our request. We hope together we can make your business and our students, **a big success!**

Sincerely,
Mary Smith
